

AMENDMENTS TO THE DRAWINGS

The attached sheets of drawings include changes correcting informalities to all drawing sheets. These sheets, which include FIGS. 1-6, replace the original sheets including FIGS. 1-6 initially filed with the patent application. These drawing sheets correct informalities by reducing the size of the figures to conform to and fit the acceptable margins as set forth in the DRAFTSPERSON'S NOTICE.

REMARKS

The title of the application has been amended from the NOTICE OF ALLOWANCE AND FEE(s) DUE to correct the PTO's typographical error thereon. The title now reads the same as page 1 of the original specification.

The original sheets of drawings containing FIGS. 1-6, which were incorrectly identified as being formal drawings when submitted with the initial application, are being replaced by the attached drawing sheets that correct informalities in the margins by reducing the size of the figures to fit the allotted margin size. The drawings contain no new matter.

If questions remain regarding this application, the Examiner is invited to contact the undersigned at (213) 633-6800.

Respectfully submitted,
